- Bachelor's degree or above
- Experience using ERP systems
- Basic MS Office Suite skills
- Experience in import and export shipping arrangements
- Native level Japanese; proficient in English (TOEIC 730+)

Preferred requirements:

- Experience with SAP

会社説明

For over 25 years, in Japan, we have been a driving force in the Japanese bilingual recruitment market, providing high-quality candidates for our clients and access to the best jobs. We always put the interests of our clients and candidates first and run on a non-commission model that promotes a working culture where teamwork is incentivised. We strive to find the best fit for both employer and job seeker and don't push people into unsuitable roles.
