募集要項

Position: Senior Supervisor (CNC)

Total Salary: Maximum to 55,000 THB/Month

Location: Amata, Chonburi

This position requires TOEIC score of 500+

Key Responsibilities

- Supervise and control daily CNC production activities to achieve production targets.
- Manage, motivate, and develop CNC operators and production staff.

- Ensure production processes comply with quality standards and safety regulations.
- Monitor machine performance and support troubleshooting and problem-solving.
- Read and interpret engineering drawings accurately.
- Use measuring tools to verify part dimensions and quality.
- Prepare and review production reports and related documentation.
- Coordinate with other departments such as Engineering and Quality to improve production efficiency.
- Use Microsoft Office for reporting, planning, and communication.

Qualifications

- Bachelor's degree or higher in Engineering, Industrial Technology, or a related field.
- Experience in production management, specifically in CNC manufacturing.
- **TOEIC score of 500 or above.**
- Strong technical skills in CNC manufacturing processes.
- Proficient in using measuring instruments and inspection tools.
- Able to read and understand technical drawings.
- Good command of Microsoft Office applications.
