募集要項

Legal Counsel 法務顧問 | コーポレートガバナンス・コンプライアンス | ¥15M+ salary, super-flex

Overview

Our client is a global technology company providing cloud and digital solutions, seeking a Legal Counsel to support its expanding Japan business. This role offers the opportunity to work closely with senior management on a broad range of legal and compliance matters, including governance processes and regulatory requirements. The position features strong compensation and flexible work arrangements within an expanding Japanese tech firm.

Key Responsibilities:

- Support corporate governance and legal compliance in Japan business
- Develop and maintain board and management meeting governance processes
- Prepare and review corporate legal documents and disclosure materials
- Develop internal policies, compliance programs, and whistleblowing processes
- Handle legal incidents, disciplinary matters, and privacy-related issues
- Advise senior management on legal risks and corporate governance
- Support IPO preparation and securities law compliance

Requirements:

- Bengoshi Qualification
- 4+ years legal experience in-house or law firm
- Native Japanese, Business English language skills
- Knowledge of corporate governance and compliance frameworks
- Experience developing internal policies and compliance training programs
- Familiarity with corporate board and committee governance procedures

Benefits:

- Competitive salary (JPY 15M+)
- 2+ days work from home per week
- Super-flexible working hours
