募集要項

Company Overview

An international company is looking for an experienced professional to support business planning, performance management, and strategic initiatives in Europe.

Responsibilities

• Lead annual planning, budgeting, forecasting, and business review processes

• Analyze business performance and identify opportunities for improvement

• Prepare management reports, business reviews, and presentation materials

• Support the development and execution of mid-to-long-term business strategies

• Coordinate and communicate with stakeholders across different regions and functions

• Provide analytical insights to support management decision-making

• Ensure compliance with internal governance standards and policies

Requirements

• Experience in corporate planning, business planning, FP&A, management accounting, finance, or related functions

• Solid understanding of financial analysis and business performance management

• Strong analytical and problem-solving skills

• Experience working in an international business environment

• Excellent communication and stakeholder management skills

• Native-level Japanese and business-level English proficiency

• Must have the legal right to work in the Netherlands without employer sponsorship

Location

Amsterdam

Salary

Competitive salary package depending on experience

Benefits

• Competitive compensation package

• Performance-based bonus

• Pension scheme

• Flexible and hybrid working arrangements

• International working environment

• Learning and professional development opportunities

Additional Information

*Visa sponsorship is not available for this position.

*Applicants must already possess unrestricted authorization to work in the Netherlands.
