募集要項

Our client is a leading professional services organization undergoing significant growth and transformation. They are seeking an experienced Human Resources Business Partner (HRBP) to work closely with business leaders, driving people through strategies that support organizational goals, talent development, and business performance.

This is an excellent opportunity for an HR professional who enjoys combining strategic partnership with hands-on execution in a fast-paced, project-based environment.

Key Responsibilities

- Partner with business leaders to develop and execute people strategies aligned with business goals.
- Advise managers on workforce planning, organizational effectiveness, employee relations, and change management.
- Drive performance management, talent reviews, succession planning, and retention initiatives.
- Coach leaders on performance, feedback, employee development, and people leadership practices.

- Identify capability gaps and collaborate with L&D teams to deliver targeted development solutions.
- Support employee engagement, well-being, and inclusion initiatives to foster a positive workplace culture.
- Act as a trusted point of contact for employee concerns and help resolve people-related issues effectively.
- Partner with HR specialist teams on compensation reviews, workforce planning, and HR analytics.
- Ensure compliance with employment regulations and the consistent application of HR policies and processes.
- Leverage people data and insights to support business decisions and continuous improvement initiatives.

Requirements

- Bachelor's degree or higher in Human Resources, Business Administration, Psychology, or a related field.
- Around 5-10 years of HR experience, including HR Business Partner, People Partner, or strategic HR roles.
- Experience supporting professional services, consulting, technology, or other fast-paced, project-based environments is highly desirable.
- Strong understanding of talent management, performance management, employee relations, and organizational development.
- Demonstrated ability to influence and build trusted relationships with senior leaders and key stakeholders.
- Strong business acumen with the ability to translate business needs into practical people solutions.
- Excellent stakeholder management, communication, and interpersonal skills.
- Analytical, proactive, and solution-oriented approach to problem solving.
- Proven ability to manage multiple priorities and adapt in a dynamic environment.
- Professional, discreet, and able to handle sensitive information with a high level of integrity.
- Fluent in English.

Preferred Attributes

- Strategic mindset with a hands-on approach to execution.
- Experience supporting organizational growth, transformation, or change initiatives.
- Strong coaching and consulting skills with the ability to challenge and influence constructively.
- Comfortable working with people data and leveraging insights to support decision-making.

What's on Offer

- Opportunity to partner with senior leaders in a growing organization.
- Exposure to strategic HR initiatives and organizational transformation projects.
- Collaborative and inclusive work culture.
- Professional development and career growth opportunities.
- Competitive salary and benefits package.
