募集要項

Company Overview
A well-established international school committed to delivering high-quality education within a diverse and multicultural learning environment. The school emphasizes academic excellence, holistic student development, and the implementation of globally recognized educational programmes. As part of its continued growth and commitment to educational excellence, the school is seeking an experienced educational leader to drive academic performance, curriculum development, and staff excellence within its Secondary School division.

Job Overview
We are seeking a passionate and dedicated Mathematics Teacher to join our Secondary School team. The successful candidate will be responsible for delivering high-quality Mathematics instruction to students across secondary levels, including the IGCSE and/or IB curriculum. This role requires an educator who can inspire students to develop analytical thinking, problem-solving abilities, and a strong foundation in Mathematics while fostering a positive and engaging learning environment. The successful candidate will contribute to academic excellence and support students in achieving their full potential.

Key Responsibilities

- Deliver engaging and effective Mathematics lessons for secondary school students, including IGCSE and/or IB programmes.
- Develop and implement lesson plans, schemes of work, and instructional materials aligned with curriculum requirements.
- Create a stimulating and inclusive classroom environment that promotes student engagement and achievement.
- Foster analytical thinking, logical reasoning, and problem-solving skills through effective teaching strategies.
- Differentiate instruction to accommodate diverse learning needs and abilities.
- Assess, monitor, and evaluate student progress through various assessment methods.
- Provide timely and constructive feedback to support student development and academic improvement.
- Prepare students for internal and external examinations, including IGCSE and IB assessments where applicable.
- Promote project-based and hands-on learning experiences to enhance understanding and application of mathematical concepts.
- Maintain accurate records of student attendance, achievement, and academic performance.
- Collaborate with colleagues on curriculum planning, resource development, and sharing of best practices.
- Participate actively in school events, extracurricular activities, parent-teacher meetings, and professional development programmes.
- Uphold school policies and maintain high standards of student behavior, wellbeing, and academic integrity.
- Contribute positively to the academic and wider school community.

Key Requirements

- Bachelor's Degree in Mathematics, Mathematics Education, or a related field.
- Minimum 2–3 years of teaching experience at the secondary school level.
- Experience teaching IGCSE and/or IB Mathematics is strongly preferred.
- Strong understanding of secondary Mathematics curriculum and assessment practices.
- Ability to create engaging, student-centered, and project-based learning experiences.
- Strong classroom management and organizational skills.
- Experience preparing students for external examinations is an advantage.
- Proficiency in Microsoft Office applications and educational technology tools.
- Excellent communication and interpersonal skills.
- Strong command of spoken and written English.
- Passion for education, student development, and continuous professional growth.
- Proactive, responsible, and committed to supporting student success both inside and outside the classroom.
- Applicants must be currently residing in Malaysia and legally eligible to work in Malaysia.
