募集要項

Key Responsibilities

- Oversee the full spectrum of accounting and finance operations.
- Ensure timely and accurate month-end, quarter-end, and year-end closing.
- Prepare and review financial statements in compliance with accounting standards and tax regulations.
- Provide financial analysis, business performance reports, and explanations of financial results to support management decision-making.
- Oversee accounts receivable, payment processes, and collection follow-ups.
- Ensure compliance with statutory requirements, including accounting registrations, tax filings, and financial statement submissions.
- Lead, coach, and develop the accounting team to achieve operational excellence.

- Provide guidance to employees regarding company policies, accounting procedures, and regulatory requirements.
- Advise management on accounting, taxation, and financial matters.

Qualifications

- Bachelor's Degree or higher in Accounting.
- Valid CPD license is required.
- Minimum 10 years of experience in full-spectrum accounting and finance, with at least 5 years in a managerial position.
- Strong knowledge of financial reporting, accounting standards, and tax regulations.
- Hands-on experience with Corporate Income Tax (CIT), Value Added Tax (VAT), Specific Business Tax (SBT), and related tax matters.
- Solid understanding of managerial accounting and financial analysis.
- Proven leadership and people management skills.
- Strong analytical, problem-solving, and decision-making abilities.
- Ability to work under pressure and meet tight deadlines.
- Good command of spoken and written English (TOEIC 500+ preferred).
- Experience in construction, engineering, contractor, infrastructure, or project-based businesses would be a strong advantage.
- Familiarity with project costing, contract accounting, and financial management in project-based environments is highly preferred.
