募集要項

Our client, a well-known fashion company, is currently hiring for a Graphic Design Manager. This role will lead and manage the graphic design function, providing creative direction and guidance and oversight across print, digital, social media, packaging and web e-commerce and in-store touchpoints.

Responsibilities

- Lead and maintain a consistent visual identity across all channels, ensuring alignment with brand strategy and guidelines.
- Oversee the creation and approval of marketing, campaign, digital, editorial, and promotional assets, ensuring high-quality, impactful, and brand-consistent execution.
- Drive the development of creative concepts for campaigns, events, and digital experiences, translating business objectives into engaging and commercially effective visual solutions.

- Manage and mentor the design team, optimise workflows, adopt emerging technologies (including AI tools), and continuously improve creative processes and asset management.
- Collaborate with internal stakeholders and external partners to deliver projects on time, within budget, and to the highest creative and brand standards.

Requirements

- Bachelor's degree in Graphic Design, Visual Communication, Multimedia, Digital Design, or a related discipline.
- Proven experience in graphic design and visual branding, including team leadership or people management responsibilities.
- Strong portfolio showcasing expertise across digital, social media, print, campaigns, and multimedia design.
- Proficiency in Adobe Creative Suite, Figma, and other digital design tools, with solid knowledge of branding, UI/UX, video, and multimedia design.
- Experienced in delivering integrated marketing and creative campaigns across digital, print, and retail channels, with familiarity in AI-powered design tools and emerging creative technologies.
