募集要項

Joining a growing souring and production team as Apparel Merchandise, responsible for managing product development and production with suppliers and factories.

Responsibilities

- Manage the end-to-end production process from sourcing to shipment
- Coordinate with suppliers and factories to ensure quality and on-time delivery
- Monitor production progress and support product development activities

Requirements

- 5+ years of experience in merchandising, production, or fabric development
- Good in Japanese (JLPT N2 or above)
- Strong knowledge of garment manufacturing and supplier management
- Willing to do business travel

About the company

A sourcing and manufacturing management company supporting product development, production, and supply chain operations across Vietnam and the ASEAN region.
