募集要項

Company Overview

A company providing software development and testing services worldwide is hiring a Legal Executive with Japanese N2 proficiency. The company values collaboration, legal compliance, and high-quality service delivery, offering an opportunity to contribute to business operations and support its continued growth.

Job Description

- Draft and review contracts, non-disclosure agreements, quotations, and other legal documents.
- Prepare and review HR documents, including labor contracts, official letters, and internal announcements.
- Develop and revise HR policies and regulations in compliance with Vietnamese law.
- Prepare legal documents and ensure compliance with applicable regulations.

- Support internal teams and perform other duties assigned by the supervisor.

Qualifications

- Bachelor's degree in Law.
- At least three years of experience in a similar position.
- Japanese proficiency at N2 level and fluency in English.
- Experience in IT companies, law firms, or consulting firms is an advantage.
- Strong attention to detail and effective communication skills.
