募集要項

Designation - Safety Executive

Location - Neemrana (Rajasthan)

Roles and Responsibilities:

- Monitor and enforce adherence to occupational health and safety (OHS) policies and procedures.
- Conduct routine site inspections and audits to identify unsafe conditions or practices.
- Perform risk assessments and recommend preventive measures. Investigate incidents and accidents, prepare reports, and recommend corrective actions.
- Organize and conduct safety drills, workshops, and awareness programs.
- Maintain records of safety inspections, training sessions, and incident reports.

- Liaise with regulatory bodies and ensure compliance with all legal and statutory requirements.
- Assist in the development of site-specific safety plans and4 emergency response procedures.

Notice: By submitting an application for this position, you acknowledge and consent to the disclosure of your personal information to the Privacy Policy and Terms and Conditions, for the purpose of recruitment and candidate evaluation.
