募集要項

The Logistic Accounting & Tax Consolidation Manager role is a key leadership position overseeing Accounting, Finance, Tax, and Financial Reporting activities across multiple entities and business units within the logistics and shipping sector. The position is primarily responsible for accurate group financial consolidation while ensuring compliance with PSAK, tax regulations, and corporate governance standards.

Responsibilities

- Lead and oversee Accounting, Finance, and Tax operations across multiple entities and business units, ensuring compliance with corporate policies, governance standards, and regulatory requirements
- Manage group financial consolidation, including intercompany reconciliations, elimination entries, consolidated financial statements, and management reporting
- Ensure the accurate and timely preparation of standalone and consolidated financial reports in accordance with PSAK and applicable regulations

- Lead budgeting, forecasting, cash flow management, financial analysis, audits, tax compliance, and treasury activities to support business performance and strategic decision-making
- Drive the standardisation of accounting policies, reporting frameworks, standard operating procedures, and internal controls across subsidiaries, branches, and operational sites

Requirements

- Bachelor’s or Master’s degree in Accounting, Finance, Taxation, or a related field
- Minimum 10 years of experience in Accounting, Finance, and Tax, including at least 3 years in a managerial position, preferably within the port, logistics, shipping, transportation, supply chain, infrastructure, or related industries
- Experience working in a publicly listed company or large-scale corporate environment is highly preferred
- Proven experience managing Accounting, Finance, and Tax functions across multiple entities, subsidiaries, branches, or business units, including financial consolidation and intercompany transactions
- Strong understanding of PSAK, financial reporting, consolidation processes, tax compliance, treasury, internal controls, and stakeholder management

About the company

A company in Indonesia’s integrated logistics and port services industry, recognised as one of the leading organisations in its sector. The company operates across logistics, shipping, and related maritime services, supporting a range of business and operational activities in Indonesia.
