募集要項

Company Overview

Our client is a Malaysian property development group with a strong presence in Northern Malaysia, particularly in Perak, Penang, and Kedah. The group has been involved in property development since 1989 and focuses on residential, commercial, industrial, and integrated township developments.

Key Responsibilities:

- Performing daily operational accounting duties.
- Handling full set accounts with knowledge of Emas / mySQL system and general costing basics.
- Arranging monthly agent commission, and incentive payment and preparing agent CP58 annually.
- Review debtors' aging and credit control

- Ensure all transactions are recorded accurately and on a timely basis.
- Review all invoices and documentation for approvals prior to payment.
- Preparation of general ledger, management account and report on a timely basis for Management's review.
- Preparation of accurate Final Accounts for audit and for tax submission purposes.
- Maintaining a proper and organized filing system, ensuring all documentation is up to date and in file.
- Ensure all company policies and controls are always implemented and in place.
- Perform any other duties as and when assigned by the Superior/Management.
- Liaise with tax agents, Auditors, company secretary, bankers and government authorities and respond to queries and requests from internal and external stakeholders.
- Cashflow and treasury management including forecasts.
- Tax planning, filing, and compliance.

Key Requirements:

- Experience in property development or construction OR in audit covering these industries
- Certificate/Diploma in Finance/Accounting, Business Studies, Administration, or related field.
- At least 6 years of working experience in the related field.
- Excellent communication skills, both oral and written in English and Bahasa Malaysia languages.
- Ability to work independently in changing and multi-tasking environment
- Has experience leading teams.
