募集要項

Location: Ho Chi Minh City
Industry: Renewable Energy (Solar & Wind)

About the Company
A leading international renewable-energy investor expanding its solar and wind project portfolio in Vietnam through project development, M&A, and strategic partnerships.

Key Responsibilities

- Develop and acquire solar/wind projects in Vietnam.
- Source and evaluate investment opportunities.
- Secure project rights via greenfield development and M&A.
- Lead internal approvals and commercial negotiations.
- Manage projects through implementation and financial close.

Requirements

- Bachelor's degree in Engineering, Energy, or Business.
- 3+ years in renewable-energy project development.
- Experience delivering at least one 30MW+ solar/wind project in Vietnam.
- Vietnamese native; Chinese (HSK5+) is a plus.
- Good English for contracts and reports.
- Familiar with MOIT, MONRE, EVN procedures and related regulations.
- Willing to travel frequently.

Preferred

- Proven track record in developing 50MW+ solar or wind projects.
