募集要項

A Japanese multinational company that specializes in factory automation (FA) is looking for Inside Sales Executive as part of their team.

Key Responsibilities

- Deliver prepared sales talks, reading from scripts that describe products in order to persuade potential customers to know more about our products and schedule appointments for sales representative to meet with prospective customers.
- Explain products and answer questions from customers.
- Obtain customer information such as name, address and enter information into computers.
- Adjust sales scripts to better target the needs and interests of specific individuals.

- Learn up product information and knowledge.

Key Requirements

- Engineering related education background or working experience is additional advantage
- Working experience as telemarketer or at call center is additional advantage
- Independent and able to work well in a team
- Immediate starter is preferred
- Able to use Microsoft Office
