募集要項

As Demand Planner, you'll join our talented their team as a one-stop point of contact for our demand planning needs.
You'll develop, deliver and report on detailed demand plans that strike a fine balance between satisfying customer wants and needs, and aligning with our global strategy.
You are a team player with the drive to succeed in a fast-paced work environment.
You'll work closely with a diverse group of colleagues to build plans that all of our departments buy into.
Your approach will consider budget, product and factory constraints while maximizing positive results for all key stakeholders.

What are we looking for?
A seasoned supply chain expert to bolster their team. A candidate with the forecasting skills to prepare us for any and all eventualities, without losing sight of the business' bottom line.

Responsibilities

- Develop demand forecasts and manage the planning calendar with related departments.
- Build your knowledge of forecast drivers by interacting with buying, sales, marketing and finance teams.
- Review historical sales trends to prepare forecast data and evaluate future results.
- Translate the demand plan into an effective supply plan.
- Regularly communicate with our global head office and liaise with support teams where needed.

- Support any other tasks that maybe be necessary and requested

We regret to inform applicants that only shortlisted candidates will be notified. Thank you for your understanding.
