募集要項

Assistant Store Manager | Retail Operations ストアマネージャー・小売運営

Overview

Our client is seeking a retail management professional to support store operations and team leadership for a growing premium fashion brand popular with celebrities in Tokyo. This role offers the opportunity to take on broader operational responsibilities and develop leadership skills within a smaller, international organization. Benefits include working in a high-profile brand environment with potential career growth and the chance to engage in direct communication with international stakeholders.

Key Responsibilities:

- Manage daily store operations to ensure smooth functioning
- Lead and develop retail team to improve performance
- Drive sales and profitability through commercial decision-making
- Communicate effectively in English with international stakeholders
- Oversee inventory and stock management using retail systems
- Analyze sales data and KPIs to optimize store performance
- Utilize POS and CRM software to enhance customer experience

Requirements:

- 5+ years retail management experience in premium or luxury brands
- Business-level English proficiency, Business-level Chinese preferred
- Experience leading and developing retail teams
- Commercial mindset with focus on sales and profitability
- Experience working in smaller, international retail organizations
- Experience with inventory and stock management systems
- Familiarity with retail POS and CRM software
- Ability to analyze sales data and KPIs
- Knowledge of fashion retail trends and customer preferences
