募集要項

COMPANY OVERVIEW
Japanese industrial recycling technology-related company. With its unique technologies and products, the company holds an overwhelming market share in Japan and actively promotes its business overseas.
They are now recruiting at their European office in Dusseldorf, which will be the center of their business expansion throughout Europe.

JOB RESPONSIBILITIES

- Regular inspection, maintenance, and repair of customers' machines throughout Europe
- Handling breakdowns when problems occur with machines
- Support sales activities to new potential customers

JOB REQUIREMENTS

- Business professional level English and Polish or Turkish
- Knowledge and experience in handling machinery
- Willing to travel around Europe

BENEFITS

- Rich training opportunities
- Work with the most advanced and innovative technology in the industry

Apply online or feel free to contact me directly for more information about this opportunity. Due to the high volume of applicants, we regret to inform that only shortlisted candidates will be notified. Thank you for your understanding.
