募集要項

≪Job Description & Position Highlights≫

- Manage tailor-made travel enquiries for the French market, develop personalized itineraries, build travel partner

relationships, and support sales and product development across Japan
- Create unique travel experiences showcasing Japan’s regional attractions while directly contributing to French market growth and stronger international partnerships
- Use French, English, and Japanese in a global travel company, with opportunities to expand into product strategy and other international markets
- Enjoy 123 annual holidays, up to two remote workdays per week, flexible working arrangements, and one complimentary Intrepid trip each year

【Job Responsibilities】
This is more than just selling travel.

As a Product & Sales Assistant, you will help discover and develop unique travel experiences across Japan and introduce them to the French market. Working closely with French travel partners and global colleagues, you will contribute to business growth through sales, relationship management, and product development.

If you are passionate about travel, enjoy building international relationships, and want to use your French language skills in a global environment, we'd love to hear from you.

■What You'll Be Doing
< Initial Responsibilities >

- Manage sales enquiries and customized travel requests from French-speaking customers and travel partners Develop tailored travel itineraries based on customer needs
- Build and maintain relationships with French travel agencies and tour operators
- Collaborate with Reservations and Operations teams to ensure seamless travel experiences
- Work closely with French-market stakeholders across Intrepid's global and regional network

< Longer-Term Opportunities >

- Develop and improve travel products for the French market
- Identify business opportunities and contribute to market growth strategies
- Strengthen partnerships with key accounts in France
- Promote Japan as a premier travel destination for French travelers

As the dedicated French-market specialist within the Product & Sales Team, you will have the opportunity to influence both commercial growth and product strategy.

■About the Role
As our French market continues to grow, we are looking for a new team member to help expand our presence and strengthen relationships with French travel partners and customers.
Initially, your focus will be on managing FIT (Free Independent Travel) enquiries and sales for the French market. Over time, the role will expand to include product development, market growth initiatives, and strategic account management.
This is an exciting opportunity to play a key role in shaping the future of the French market within Intrepid Japan.

■Why Join Us?
１．Make a Direct Impact
Contribute to the growth of one of Intrepid Japan's key international markets.
Work Across Sales and Product Development
Go beyond sales by helping design and improve unique travel experiences throughout Japan.
２．Global Collaboration
Work closely with colleagues and stakeholders across Intrepid's global network.
３．Career Development Opportunities
Depending on your interests and strengths, opportunities may arise to work with additional international markets in the future.
４．FOC Trip Benefit
Enjoy the opportunity to participate in an Intrepid trip once per year at no cost, allowing you to experience our products firsthand and deepen your understanding of our customer experience.

■About FIT Travel
FIT (Free Independent Travel) refers to tailor-made travel experiences designed specifically for individual travelers or small private groups.
Rather than selling pre-packaged group tours, you will create personalized travel itineraries that match each customer's interests, preferences, and travel goals.

■About Intrepid Travel
Intrepid Travel is one of the world's largest adventure travel companies, operating in more than 30 countries worldwide.
Guided by our purpose, "Purpose Beyond Profit," we are committed to creating positive change through responsible travel that benefits local communities, protects the environment, and delivers meaningful experiences for travelers.
At Intrepid Japan, we design and operate immersive travel experiences throughout Japan for travelers from Europe, North America, Australia, and beyond.
