募集要項

Our client is an established manufacturing company with a structured procurement function and a strong commitment to operational excellence. They are looking for an experienced and proactive purchasing professional to lead and coordinate end-to-end procurement activities.

Job Responsibilities

- Manage end-to-end procurement of materials, tooling, packaging, and services
- Source, evaluate, and develop reliable suppliers
- Negotiate pricing, payment terms, and delivery schedules
- Issue and manage Purchase Orders (POs) accurately and on time
- Monitor order status and expedite overdue deliveries

- Lead cost reduction initiatives and identify savings opportunities
- Resolve supplier issues such as delays, quality problems, and pricing disputes
- Maintain procurement records and reports
- Coordinate with internal departments to meet operational needs
- Guide and support junior purchasing team members

Job Requirement

- Degree in any related field
- Minimum 6 years of purchasing/procurement experience, preferably involved in leadership role
- Strong negotiation, analytical, and problem-solving skills
- Proficient in Microsoft Office and ERP systems
