## 募集要項

About the Role
Our client is seeking an experienced **Administration & Finance Manager** to oversee Finance, Accounting, Human Resources, and Administration functions. This is a key leadership position within the organization and has been identified as part of the company's succession planning, offering the opportunity to progress into a broader management role in the future.

The successful candidate will be responsible for strengthening financial governance, enhancing operational efficiency, driving process improvements, and supporting cross-functional collaboration across the business.

Responsibilities

- Lead and oversee Finance, Accounting, Human Resources, and Administration operations.
- Manage and develop a back-office team of approximately five members.
- Oversee financial reporting, budgeting, forecasting, cash flow management, and internal financial controls.
- Ensure timely and accurate monthly and annual closing processes.

- Monitor business performance and provide financial analysis and recommendations to management.
- Support HR and employee administration activities, ensuring compliance with relevant labor regulations and company policies.
- Drive process improvement initiatives and support system enhancement or migration projects.
- Collaborate closely with Sales, Engineering, and Project teams to improve operational effectiveness and cross-functional communication.
- Participate in management discussions and support organizational development initiatives.
- Contribute to strategic business planning and future leadership succession objectives.

Requirements

- Bachelor's degree or higher in Accounting, Finance, Business Administration, or a related field.
- More than 10 years of experience in accounting, finance, or financial management.
- Strong experience in budgeting, forecasting, cash flow management, and management reporting.
- Experience working within Engineering, EPC, Construction, Industrial Plant, Infrastructure, or related industries.
- Proven experience leading and developing teams of five or more members.
- Strong understanding of financial controls, compliance, and corporate governance.
- Excellent stakeholder management and cross-functional collaboration skills.
- Ability to drive process improvements and support organizational change initiatives.
- Good communication skills in English, both written and spoken.
- Proactive and hands-on approach with strong problem-solving capabilities.

Benefits

- Opportunity to join a stable and growing international organization.
- Exposure to a leadership role with broad business responsibilities.
- Career progression opportunities within the organization.
- Collaborative and professional working environment.
- Competitive compensation and benefits package.

About the Company
Our client is an established international company operating within the engineering and environmental solutions sector. The organization is recognized for delivering high-quality infrastructure and industrial projects while maintaining strong operational standards and a commitment to sustainable business growth. The company offers a collaborative environment where experienced professionals can play a significant role in driving business performance and organizational development.
