募集要項

About the Role
We are looking for an experienced **Accounting Manager** to lead the full accounting function for a trading and manufacturing business in Thailand. This role will be responsible for overseeing financial reporting, tax compliance, month-end closing activities, statutory reporting, and team management. The successful candidate will play a key role in ensuring compliance with Thai accounting standards, IFRS requirements, and corporate policies while partnering closely with regional and global finance stakeholders.

Responsibilities

- Establish and improve accounting processes, policies, and internal controls in compliance with Thai regulations and company standards.
- Manage the full-cycle accounting operation and ensure accurate monthly, quarterly, and annual financial closings.
- Prepare and review financial statements in accordance with TFRS-NPAE, Thai GAAP, IFRS, deferred tax requirements, IFRS 16, and transfer pricing regulations.
- Oversee General Ledger (GL), Accounts Payable (AP), Accounts Receivable (AR), Inventory, Fixed Assets,

Depreciation, CAPEX, OPEX, and Construction in Progress (CIP) activities.

- Ensure accuracy and completeness of accounting transactions and financial records.
- Manage tax compliance and statutory filings, including VAT, withholding tax, corporate income tax, and related submissions.
- Liaise with regional and headquarters finance teams on forecasting, foreign exchange matters, J-SOX compliance, and audit requirements.
- Coordinate with external auditors, banks, tax advisors, and government authorities.
- Ensure monthly closing deadlines are achieved within the required timeline.
- Lead, mentor, and develop a team of five accounting professionals to drive operational excellence.
- Support management with financial analysis, reporting, and other assignments as required.

Requirements

- Bachelor's degree or higher in Accounting.
- Valid CPD License.
- Minimum 15 years of accounting experience, preferably within trading and manufacturing industries.
- Proven experience leading and managing an accounting team.
- Strong knowledge of Thai accounting standards, IFRS, taxation, statutory reporting, and compliance requirements.
- Business-level English communication skills, both written and spoken.
- Advanced proficiency in Microsoft Excel.
- Experience with Microsoft Dynamics 365 Business Central ERP is highly preferred.
- Strong analytical, problem-solving, and organizational skills.
- Ability to work under pressure, manage multiple priorities, and meet tight deadlines.
- High level of professionalism, integrity, and accountability.

Benefits

- Competitive salary and performance-based incentives.
- Comprehensive benefits package.
- Opportunity to work in a multinational environment.
- Exposure to regional and global finance operations.
- Leadership role with team management responsibilities and career growth opportunities.

About the Company
Our client is a well-established international company operating within the trading and manufacturing sector. The company is recognized for its commitment to operational excellence, strong corporate governance, and continuous business growth, providing employees with a collaborative and professional working environment.
