募集要項

Position: Service Engineer

Salary: Depend on experience

Location: Samut Prakan (Near Suvarnabhumi airport)

Key Responsibilities:

- Install, test, and provide technical support for soldering automation machines at customer sites.
- Perform machine inspections, preventive maintenance, troubleshooting, and after-sales service support at customer sites.
- Conduct machine operation training and provide technical consultation to customers.
- Work closely with the Sales and Technical teams to support customer requirements and ensure customer satisfaction.

- Visit customer sites for installation, maintenance, and technical support activities, both domestically and overseas.
- Attend product training programs at regional offices within Southeast Asia to gain knowledge of new products and technologies.

Qualifications:

- Bachelor's Degree in Electrical Engineering, Mechatronics Engineering, Mechanical Engineering, Automation Engineering, or related fields.
- Strong communication in Thai and English (Japanese is an advantage)
- Experience in automation machines, robotics, laser cutting and PLC is preferred.
- Strong knowledge of machine operations and troubleshooting.
- Able to travel aboard.
