募集要項

欧州系の大手投資銀行にて、**日本のリスク管理部門全体を統括**するマネージングディレクターを募集します、

東京拠点の銀行・証券ビジネスを横断し、信用リスク、マーケットリスク、オペレーショナルリスクなど、幅広いリスク管理・ガバナンスを統括。融資判断や複雑なストラクチャードファイナンス案件の審査など、重要な意思決定を担います。

日本の経営委員会（Executive Committee）の主要メンバーとして、国内経営陣および海外リージョナル経営陣と直接連携。日本のリスク管理体制を主導し、組織全体のリスクカルチャーを構築する、裁量と責任の大きなエグゼクティブポジションです。

主な職務内容

- **リスク管理・ガバナンスの統括：** 東京拠点の銀行・証券部門を横断し、信用リスク、マーケットリスク、オペレーショナルリスク、バランスシートリスク、環境リスクなどの管理・監督を統括する。

- **信用リスク管理・与信判断：** 融資案件の承認、与信権限の管理、複雑なコーポレートファイナンスやストラクチャードファイナンス案件の審査・組成を主導する。
- **経営委員会・海外経営陣との連携：** 日本の経営委員会にリスク部門を代表して参加し、APME地域（アジア太平洋・中東地域）の経営陣に定期的なリスク報告を行う。
- **フロント部門への助言：** 営業・投資銀行部門に対し、リスクとリターンの最適化、案件審査、重要なリスクテーマについて助言・提言を行う。
- **組織・人材マネジメント：** 国内リスク管理チームを統括し、人材育成、後継者計画、組織能力の強化を推進する。

An exceptional opportunity has arisen for an experienced **Head of Risk** / **Managing Director** to lead the risk management function of a prominent **European corporate and investment bank in Tokyo** .

This senior executive position offers responsibility for **enterprise-wide risk governance, credit risk management, regulatory oversight, and risk strategy** across the bank's Japan branch and securities entities.

As the **Managing Director, Head of Risk**, you will oversee a comprehensive risk management framework covering **credit risk, market risk, operational risk, structural balance sheet risk, and environmental risk**, while maintaining primary accountability for the institution's credit risk portfolio.

You will exercise senior credit decision-making authority, oversee complex corporate lending and structured finance transactions, and ensure that risk policies and governance standards are effectively implemented across the Japanese business.

As a key member of the **Japan Executive Committee**, you will advise senior management on strategic risk matters, challenge front-office business decisions when appropriate, and represent the Risk function in discussions with regional Asia-Pacific and Middle East (APME) leadership.

Beyond technical risk management, you will be responsible for developing a high-performing local risk team, strengthening succession planning, and embedding a robust risk culture throughout the organization.

This role is ideal for an established **Managing Director, Executive Director, Chief Risk Officer, Head of Credit Risk, or Senior Banking Risk Executive** seeking a leadership opportunity within a major international corporate and investment banking institution.

Key Responsibilities

- **Enterprise Risk Management Leadership:** Lead the overall risk management function across the bank's Tokyo branch and securities entities, ensuring effective oversight of all material financial and non-financial risks.
- **Risk Governance & Policy Execution:** Establish, maintain, and implement comprehensive risk governance frameworks, internal policies, and risk control standards aligned with institutional and regulatory requirements.
- **Credit Risk Management:** Take primary accountability for the bank's credit risk portfolio, including credit assessment, approval decisions, portfolio monitoring, and risk mitigation.
- **Credit Approval & Delegation Authority:** Oversee lending approval processes, manage credit delegations, and exercise appropriate decision-making authority for complex credit transactions.
- **Corporate & Structured Finance Risk:** Evaluate and structure sophisticated transactions involving **corporate loans, structured finance, trade finance, structured derivatives, and capital markets products**.
- **Market & Operational Risk Oversight:** Provide senior oversight of market risk and operational risk exposures, ensuring effective identification, assessment, monitoring, and escalation.
- **Structural Balance Sheet & Environmental Risk:** Oversee risk considerations relating to structural balance sheet exposures and environmental risk factors.
- **Executive Committee Representation:** Represent the Risk function as a core member of the **Japan Executive Committee**, contributing to strategic decisions and enterprise-wide governance.
- **Regional Risk Reporting:** Deliver regular risk assessments, portfolio updates, and management reports to **regional APME executive leadership**.
- **Front Office Risk Advisory:** Act as a trusted risk advisor to first-line business and front-office teams, providing constructive challenge on transaction structuring, underwriting, and risk-return considerations.
- **Risk-Return Optimization:** Support commercially informed decision-making while maintaining disciplined credit standards and appropriate risk appetite.
- **Quantitative Risk Assessment:** Oversee the application of **credit assessment methodologies, quantitative risk models, scoring frameworks, and stress testing** to support risk decisions.
- **Thematic & Emerging Risk Management:** Identify and assess emerging risks, portfolio concentrations, and broader market developments that may affect the Japanese banking business.
- **Stakeholder Management:** Maintain strong working relationships with senior business leaders, regional risk management teams, and other key governance stakeholders.
- **Risk Team Leadership & Development:** Lead, mentor, and develop the local risk management team, strengthening technical capabilities, leadership development, and succession planning.
- **Risk Culture & Organizational Effectiveness:** Promote a strong risk culture, clear accountability, and effective collaboration between risk management and business functions.
