Company Overview

Our client is an established manufacturing company located in Ulu Tiram, Johor.

Key Responsibilities

- Accounts: oversee full-set accounts, month-end and year-end closing, and accurate, timely financial statements
- Forecasting and budgeting: build and maintain budgets, cash flow forecasts and variance analysis
- Management reporting: prepare monthly P&L, cash position and KPI reports with clear recommendations for management
- Costing and margins: track product costing, raw material prices and margins to support pricing and purchasing decisions

- Payments and controls: manage payables, receivables and payment approvals; set up and improve internal controls and SOPs
- Tax and compliance: handle SST, corporate tax, statutory filings, and audits with external auditors and tax agents
- Multi-entity: manage accounts across the Malaysia and Singapore entities, including intercompany transactions
- Projects: support capital projects and ad-hoc financial analysis as needed

Requirements

- Degree or Diploma in Accounting or its equivalent.
- More than 5 years experience, preferably in manufacturing industry.
- Good communication and interpersonal skills.
