募集要項

A leading global marketing company is seeking an experienced Legal Counsel to join its growing legal team in Japan.

This is an exciting role within the legal team of a major marketing company with a strong presence and brand recognition in Japan. You will join an experienced legal team supporting the company's Japan business, working across English and Japanese in a diverse, international environment. The company is on a strong growth trajectory and is expanding its legal function to keep pace with its growing client base.

This role suits a legal professional who wants broad, hands-on exposure across commercial, IP, and regulatory matters, rather than a narrow specialist track, within a fast-moving marketing and advertising environment.

We are looking for a lawyer with:

* At least 5 years of experience in the legal department of a major corporation
* Broad working knowledge of Japanese corporate law
* Business-level English and native-level Japanese, written and spoken
* Previous experience in the marketing, advertising, or media sector is an advantage

Key Responsibilities

* Review, draft and negotiate client agreements, vendor contracts, and media and licensing agreements
* Advise on copyright, trademark, and IP matters related to creative and campaign work
* Ensure marketing and advertising materials comply with Japan's labeling and advertising regulations (景品表示法)
* Support data privacy and digital marketing legal matters
* Manage corporate documentation and registration across all group companies
* Support the legal team on ad hoc projects as the business scales in Japan

Why Consider This Opportunity?

* Broad scope across commercial, IP, and regulatory matters, ideal for building well-rounded in-house experience
* Join a stable global company with a long track record in the Japan market
* Exposure to a creative, high-profile, fast-moving industry
* Flexible working style, including remote work and flex time
* Supportive team environment working alongside experienced legal colleagues

This is one of several exclusive legal opportunities we're currently handling in Tokyo and the nearby areas.
