### 募集要項

A dynamic European pharmaceutical company is seeking an experienced Compliance Manager ahead of an exciting new business partnership. This is an opportunity to play a key role in the formation of their local compliance program and support the expansion of their rapidly-growing Japan business.

The main responsibilities for this position are as follows:

- Leading the compliance function and compliance implementation program
- Applying global compliance standards to the local level
- Supporting business colleagues as a strategic partner for compliance issues
- Providing relevant training and education to all concerned employees, including senior management

Ideal Candidates will have:

- 4+ years of legal and/or compliance experience with a healthcare company in Japan
- Native Japanese ability and business fluency in English
- Experience handling compliance with a foreign company a plus
- Flexible attitude with strong commercial focus

Please contact Alex directly on 03 4540-7885 or at alex@legal-intel.com for more information and a **confidential discussion**.
