## 会社説明

ACS Japan is a Tokyo based executive search company delivering recruitment services that reflect the core values and needs of the business world today. Our team of professional and experienced recruiters are committed to providing the highest standards of service to both clients and candidates.

ACS Japan's commitment is to personalize individual service to both clients and candidates. We are strongly networked with industry professionals who seek and value success. As the experts of full range human capital services, we specialize in offering consulting and introductions through our networks. One of our main strength is exclusivity to our clients, and speed to our candidates.

We specialize in understanding the individual needs of each company and place top to middle management executives, IT professionals, and hard-to-find specialist qualified candidates. We build and maintain close partnerships with clients to fully understand their business, products, organization in addition to their internal company culture.
