Solid European Manufacturing Company seeking an experienced finance professional

Your new company

Our client is a highly regarded manufacturing firm with offices in over 30 countries around the world. The office is located in Saitama, equipped with the family-like corporate culture and production plant.

Your new role

Reporting to Finance Director, this Manager will oversee end-to-end financial processes of the company. Responsibilities include providing and preparing financial reports, running product and cost accounting processes, conducting and presenting FP&A tasks. You will be leading various finance projects locally and globally.

What you'll need to succeed

- Native Japanese & Business-level English (TOEIC 750 and higher)
- Minimum 6 years' experience in a multinational company, preferably in automotive and industrial
- Any accounting and finance qualification such as CPA would be helpful
- End-to-end Accounting and FP&A experience
- Reporting experience
- Familiar with ERP

What you'll get in return

This role does not necessarily require people management experience; however, is an excellent opportunity to step up in a leadership capacity.
