会社説明

Ahead Group is a specialized technology consulting, managed services, and staffing organization providing services across the APAC region.

Ahead Group supports international clients with strategic positions in Tokyo, Hong Kong, and Singapore. As a long-term partner, Ahead Group provides flexible tailor-made technology solutions for every client. The specialists at Ahead Group have significant industry experience and deliver high quality, effective results.

Company History:

Ahead Consulting was founded in 2014 in Tokyo, Japan, to provide high quality IT services to the finance and insurance industries. Ahead Consulting has since expanded with offices in Hong Kong and Singapore to support regional clients.

Ahead Group Ltd. was established in 2017 as the regional holding company for all Ahead subsidiaries.

Ahead Staffing was established in 2017 as an affiliate of Ahead Consulting to address the need for permanent recruitment and dispatch hiring in Japan.
